AND THE WINNER IS...

Atlantic City!

On the heels of Boardwalk Empire being honored with Golden Globe, Screen Actors Guild, and Director's Guild of America awards, Atlantic City now has even more to cheer about!

On February 1st, New Jersey Governor Chris Christie signed several bills into law and announced: "A landmark day for Atlantic City, and the beginning of its transformation into a vacation and convention city for the world!" The signing took place at the site of the Revel Casino Resort, a 53-story, 6.3 million square foot, 3,800 room hotel and casino that, upon completion, will be the biggest casino property in Atlantic City. The governor said that construction will restart immediately, and the casino will open in June 2012.

The state also unveiled a draft of the new Atlantic City Tourism District plans. The concept is to create a state-supervised tourism district with enhanced police patrols and sanitation and include the Boardwalk, the Marina District, the Walk Outlet Shops and Bader Field.

Most local experts would agree that the city's Southern Inlet in which FantaSea Resorts Flagship is centrally located will be one of the primary benefactors of the new transformation! The Atlantic City Boardwalk is poised for an epic turnaround. Atlantic City is the No. 2 gaming market in the United States behind the Las Vegas Strip. It offers a concentration of gaming properties along the Boardwalk that are widely viewed as superior to individual casinos spread out in Pennsylvania, and it has the beach and ocean!

Owners and guests at FantaSea Resorts Flagship will have the perfect vantage point to watch the rebirth of the city of Atlantic City!

New Jersey Assembly and Senate Approve Tourism District

Posted on January 10, 2011

TRENTON – Governor Chris Christie saw his ambitious plans to reform Atlantic City's Casino and Tourism industries reach final legislative approval on Monday.

This sets up the remaking of the city as a premier destination resort.

"From a legislative perspective, this is the most significant thing to happen to Atlantic City since gambling was approved" said State Senator Jim Whelan, D-Atlantic.
